LOGAN ELM HIGH SCHOOL
SHORT TERM PROGRESS REPORT

This form is to be used to help a parent monitor short-term student progress. We will use it from one reporting period to the next, i.e. interim to grade card, grade card to interim, etc. but it is not our intent to use this to replace scheduled reporting procedures or for continuous long term monitoring.

PROCEDURE: The student is to pick up the form in the morning from the guidance secretary, give it to the teacher at the beginning of class, the teacher will write a short comment when class activities permit and the student can pick up the form when leaving class. This procedure should take minimal effort and cause minimal interruption.
